# POORVI S GOWDA

Email: poorvisgowda144@gmail.com | GitHub: github.com/your-github-username | Karnataka, India

## ✨ Career Objective

A motivated and detail-oriented 2nd-year Computer Science Engineering student with a strong interest in web development, UI design, and problem-solving. Seeking opportunities to apply my skills through real-world projects and grow professionally in the field of software development.

## 🎓 Education

**Bachelor of Engineering (B.E.) – Computer Science Engineering**

College: Malnad College of Engineering

Year: 2nd Year (2023–Present)

CGPA: 8.3

Highlights: Data Structures, Web Technologies

**Pre-University (PUC)**

College: Master's College

Year Completed: 2023

Percentage: 94%

Stream: PCMB

**SSLC / 10th Standard**

School: Podar International School

Year Completed: 2021

## 🛠 Technical Skills

- Programming: C, C++, Java, Python
- Web Technologies: HTML, CSS
- Database: MySQL
- Tools: Git, GitHub
- Other Skills: Responsive Design, UI/UX Basics

## 💼 Projects

**1. Portable ECG Monitoring System**

Contributed to the development of a compact portable ECG device.

Responsible for data visualization and real-time monitoring interface.

**2. Error Detection and Correction (Python)**

Implemented CRC and Hamming Code algorithms in Python.

Ensured accuracy and reliability in data transmission.

## 🤝 Soft Skills

- Communication
- Problem Solving
- Teamwork
- Leadership
